

# ARE YOU THE ONE FOR THE JOB?

## STRICTLY PEOPLE'S TOP 10 HINT & TIPS TO GIVING YOUR BEST AT AN INTERVIEW

1. Research, research, research – the company, the interviewer, etc
2. Use your network to find out as much as you can about the role and the organisation
3. Mystery shop – know the product and be able to discuss openly in the interview
4. Work out your route to the interview and allow plenty of time
5. Think in advance about your own experience and what you have to offer – consider Situation, Action, Result(s)
6. Remember the first 2 minutes are critical and rightly or wrongly decisions may be made by how you represent yourself in the first 120 seconds
7. Walk in to win – firm handshake and strong eye contact
8. Prepare “high gain” questions – not around the package but the requirements of the role
9. Listen carefully and take some time to consider your responses
10. Be yourself, but be your best self!!
